No. 11015 / 01 / 2016 - SG-I
Government of India
Ministry of Tribal Affairs

Shastri Bhavan, New Delhi
Dated: 20.06.2016

Dir
To,

1. Chief Secretary to State Govt. / UT Administration (All States/UTs)
2. Principal Secretary / Secretary (in charge of) Tribal Development (All States)
3. Commissioner / Director, Tribal Development (All States)

Govt of Bihar

Sub: Guidelines for Inter-State allocation of funds and implementation of Programmes / Activities under Proviso to Article 275(1) of the Constitution of India during 2016-17 and onwards.

3852
20 JUN 2016
Sir,

Following guidelines are hereby laid down for Inter-State allocation of funds and implementation of programmes under Proviso to Article 275(1) of Constitution of India during current fiscal, 2016-17 and afterwards.

Salient features of Constitutional Provision

1. Constitution of India provides as under:

"Article 275. Grants from the Union to certain States (1) Such sums as Parliament may by law provide shall be charged on the Consolidated Fund of India in each year as grants in aid of the revenues of such States as Parliament may determine to be in need of assistance, and different sums may be fixed for different states.

Provided that there shall be paid out of the consolidated fund of India as grants-in-aid of the revenues of a State such capital and recurring sums as may be necessary to enable that State to meet the costs of such schemes of development as may be undertaken by the State with the approval of the Government of India for the purpose of promoting the welfare of the Scheduled Tribes in that state or raising the level of administration of the Scheduled Areas therein to that of the administration of the rest of the areas of that State."

52
1.2 Grants-in-aid under Proviso to Article 275(1) of Constitution of India are 100% annual grant from Government of India to States. It is charged to Consolidated Fund of India (except grants for NE States, a voted item) and is an additive to State Plan funds and efforts for Tribal Development.

2. Basic Objective

2.1 Following would be objectives for programmes / activities funded with Grants-in-aid under Proviso to Art. 275(1) of Indian Constitution [Art. 275(1) Grants] to bridge gap between Scheduled Tribe (ST) population and others by accelerating development of STs by ensuring:

- (i) Human resource development by enhancing their access to education and health services,
- (ii) Enhanced quality of life by providing basic amenities in tribal areas / localities.
- (iii) Substantial reduction in poverty and unemployment, creation of productive assets and income generating opportunities,
- (iv) Enhanced capacity to avail opportunities, gain rights and entitlements and improved facilities at par with other areas, and
- (v) Protection against exploitation and oppression.

2.2 Art. 275(1) Grants must address need of plugging critical gaps. It is only an additive to State efforts for tribal development, with fund flow under Tribal Sub Plan (TSP) strategy.

3. Coverage:

3.1 27 States having notified STs are eligible to receive grants under this Programme. These States are:-
Andhra Pradesh, Arunachal Pradesh, Assam, Bihar, Chhattisgarh, Goa, Gujarat, Himachal Pradesh, Jammu & Kashmir, Jharkhand, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Manipur, Meghalaya, Mizoram, Nagaland, Odisha, Rajasthan, Sikkim, Tamil Nadu, Telangana, Tripura, Uttar Pradesh, Uttarakhand and West Bengal. (Punjab and Haryana have no ST population).

Union Territories are not funded under Art. 275(1) Grants.

CA
22.6.16

51

3.2 Art. 275(1) grants must be utilized for socio-economic development of following:

(a) **Integrated Tribal Development Project (ITDP):** It is an area of size of one or more Development Blocks in which ST population is 50% or more of total population of such Blocks. Complete development block(s) / panchayat samiti(s) is the minimum constituent unit of an ITDP.

(i) There can be more than one ITDP in a District.

(ii) Area of an ITDP may even consist of Blocks of more than one District. In such cases, ITDP will normally be named after its headquarter location or district where its headquarter is located.

Integrated Tribal Development Agency (historically so called in Andhra Pradesh, Odisha and Telangana amongst other States) / Authority (ITDA) is concerned authority with jurisdiction for administration of tribal development projects. Hence an ITDA (i.e. agency or authority) should have jurisdiction over ITDPs (consisting of full blocks / Panchayat Samitis), MADA and cluster pockets as well. Even dispersed tribal population of a district can also be within jurisdiction of concerned district ITDA. (In this matter, concerned State Governments must decide the organizational structure.)

(b) **Modified Area Development Approach (MADA):** These are identified pockets (consisting of one or more revenue villages) in contiguous areas with a concentration of tribals 50% or more within total population 10,000 or more in such area.

(c) **Clusters:** These are identified pockets (with one or more revenue village(s) being constituent units) with a concentration of tribals 50% or more within total population 5,000 or more in such area.

In case of both MADA and Cluster Pockets, complete revenue village(s) is constituent unit. A MADA pocket / Cluster for tribal development should be named after the village in such area, which has maximum ST population (2011 Census) in such MADA / Cluster Pockets. To illustrate it can be identified as A-B (MADA / Cluster), where A is concerned District and B is the revenue village having maximum ST population in such MADA / Cluster pocket.

(d) **Particularly Vulnerable Tribal Groups (PVTGs):** Identified isolated communities among tribals are characterized by a stagnant or declining rate

50
of population growth, pre-agricultural level of technology and extremely low level of literacy. [So far 75, PVTGs are identified. (Annexure 1)]

(e) Dispersed tribal population outside (a), (b), (c) and (d) above.

3.3.1 Organizational structure (including district and field level set up) and administrative jurisdiction of an ITDA (or any other designated authority) may be decided by concerned State Government / UT administration.

3.3.2 Above areas need to be notified by Ministry of Tribal Affairs (MoTA), as proposed by State Government, before these can be reckoned with, as basis for allocation of funds. State Governments have to submit a proposal with details of identified area and population (as per 2011 Census) along with a map to MoTA accordingly.

4. Criteria for Inter-State Allocation

4.1 From 2016-17 onwards, allocation of funds among above 27 States (Para 3.1) under Art. 275(1) Grants shall be made in following manner:

- a) 50% based on State ST population,
- b) 25% based on tribal areas covered under ITDPs / ITDAs. A few States where no ITDP / ITDA has been constituted, area of concerned Block / Panchayat Samiti (Middle level PRI), where ST population is 50% or more would be taken into account, and

From 2017-18 and onwards, above tribal area would include geographical area of

- (1) ITDPs
- (2) MADA Pockets, and
- (3) Cluster Pockets

as per 2011 Census basis.

Since these details are not readily available, only ITDPs / ITDAs area are accounted for in current fiscal 2016-17. In absence of above, area as worked out (Annexure 2) would be taken into account.

Total geographical area (in sq. kms) of Tribal Majority States i.e., Arunachal Pradesh, Meghalaya, Mizoram and Nagaland would be taken into account.

SA
20.6.16

- c) Remaining 25% of allocation would be as per an analysis of outcome-based performance of concerned States.

Parameters for evaluation of performance would be notified separately.

- 4.2 Minimum Floor will be based on 75% of 2015-16 allocations made on ST population basis. This floor allocation shall be subject to a minimum of Rs. 4.50 Crores (with 100% being Rs. 6.00 Crores).
- 4.3 A statement showing ST population of State, ITDP / ITDA area, and minimum floor allocation is at Annexure 3.

5. Inter-District Allocation Criteria

5.1.1 Inter-District allocation of Art. 275(1) Grants funds shall be as follows:

- (i) 66⅔ % on population
- (ii) 33⅓ % on Area. (i.e., on 2:1 proportion based on population : area)

Only such area needs to be taken into account where ST population is more than 50% of total population of such District / Sub-Division / Block / revenue Village.

In case of tribal majority States (para 4.1 above), entire geographical area of districts needs to be considered. (Since these States have > 50% ST population in the State as a whole.)

5.1.2 In Project Appraisal Committee (PAC) meetings, State Government must submit such area details. (With revenue village being smallest constituent unit for MADA, Cluster Pockets and Blocks / Panchayat Samitis being the constituent unit of ITDPs.) (Except for 4 tribal majority States.)

5.2.1 Districts having 25% or more STs (of district population) shall be focussed, for implementation of tribal development programmes. List of 177 Districts with 25% ST population or more (based on 2011 Census) is at Annexure 4. This also includes Districts, affected by Left Wing Extremism (LWE) activities (where ST population is even less than 25% floor). In case of such LWE affected areas, tribal inhabited areas are normally localized (with ST population being 50% or more of total population of revenue villages of such identified area) in a particular part of District. Area of such Sub-Division / Block / Village can be taken into account for area calculation.

CA 16

Such details of identified areas and population (as per 2011 Census) along with a map must be provided by concerned State Govt. in 2016-17 PAC meetings.

5.2.2 All MADA pockets / clusters shall be covered under some or the other development programmes within every cycle of three years. (Starting from 2016-17)

5.3.1 Within ST population, some ST communities count each more than 5% population in every State. Details of such communities is at Annexure 5.

5.3.2 While doing inter-district allocation for tribal development programmes / activities for such communities should be especially focussed.

In case where economic basis of tribal household economy of more than one ST community is same, programmes can be common with such communities and clubbed for fund allocation. For Example, in Himachal Pradesh, Gaddi and Gujjar STs (both being livestock dependent households) can be covered with similar type of development programmes / activities.

5.3.3 Fund allocation must be $\pm 10\%$ of corresponding ST population share. That is, if a community counts for 20% of State ST population, then programmes should be for 18% - 22% band of total fund allocation for such a community.

If this community is more backward, then an increased allocation may be justified based on human development index parameters. In any case, if the allocation works out to lower than 18%, then total State allocation would be reduced accordingly.

5.4 State Government may inform as to any discrepancy in calculation of area (with $\geq 25\%$ ST population based on 2011 Census) or community-wise % data (2011 Census). Relevant information would be reviewed and accounted for after revision of concerned data accordingly.

SA
20.6.16

6 Intra-State (Sectoral activities, community, area-wise) Prioritization and Allocation:

6.1.1 Priority must be accorded as under:

	Activity	Fund Allocation
(i)	Education	40 - 50%
(ii)	Health	10 - 15%
(iii)	Agriculture, Horticulture, Animal Husbandry (AIH), Fisheries, Dairy & others in Primary Sector	20 - 30%
(iv)	Other income generating schemes to augment Tribal household economy	10 - 15%
(v)	Administrative structure (incl. manpower) / Institutional framework & Research studies	< 5 - 10%
	Total:	100%

6.1.2 Conjunctural use with dovetailing of financial resources from ongoing activities of line departments must be resorted, to ensure larger spatial and higher demographic coverage (under TSP flow concept or funds especially available under Central Sector / Centrally Sponsored Schemes.)

6.1.3 Cluster (multiple beneficiaries in one location) approach on saturation (all beneficiaries of an identified area are covered / benefitted by Government activity / programmes) basis can be an excellent modus operandi, especially for districts with $\geq 50\%$ and even for $\geq 25\%$ ST population.

6.1.4 Use of institutional finance should also be optimized.

6.1.5 Projects modelled on Public - Private (Sector) Participation (PPP mode) can go a long way especially for Education and Health sectors and other human resource development programmes.

6.2.1 Primarily activities of non-recurring nature (including infrastructure and equipment with at least three years life time) shall be supported under Art. 275(1) Grants. Fund for recurring component of such programmes / schemes shall be borne by State funds / TSP allocation. An illustrative list of activities for Art. 275(1) Grants funding is at Annexure 6.

CA
2016.16

46
6.2.2 ST Communities with similar livelihood pattern / traditional occupation (i.e. income source same for tribal household economy) should be clubbed together for the purpose of planning under Art. 275(1) Grants.

ST household, especially entitled land right under FRA, 2006 should be covered by Programmes, Activities: especially designed for them.

So also should be coverage of women Self Help Groups (SHGs), beneficiaries.

6.3 Major infrastructure sector, like road connectivity, electricity, drinking water, major irrigation projects, housing would not be funded under Art. 275(1) Grants, as substantive part of State Plan funds go into these programmes.

6.4 It is relevant to emphasize that close to 80% of tribal households depend upon agriculture and other primary sector economic activities. Guidelines of Ministry of Rural Development (MoRD) especially provide for MGNREGA works on individual tribal lands with State-funding. Such provision under extant guidelines must be utilized to ensure better income and livelihood support to ST households.

6.5 Committed liability of approved programmes / activities (in previous years) would be accorded priority for allocation of funds.

7. **Plan Formulation:**

7.1 State Tribal Development / Social welfare or other Department (in charge of tribal development / activities) will be the nodal department for tribal development programmes / activities (including under TSP flow of funds). The nodal department will work in close coordination with all relevant line departments.

7.2 Secretary of the Nodal department will be Member-Secretary of the Executive Committee (EC), chaired by Chief Secretary to State Government. The EC will be responsible for appraisal and approval of perspective document as well as of TSP schemes of different departments for inclusion in Annual TSP. The EC shall also be responsible for monitoring and evaluation of TSP Plans, programmes and activities.

7.3 Plan formulation necessarily must consist of following steps

- i. Preliminary exercise.
- ii. Selection of Schemes, Programmes and Activities, and
- iii. Plan finalization under TSP, along with norms for TSP allocation.

S.A.
20.6.16

Annexure 7 describes in detail above steps for plan formulation.

us

8. Plan Documentation

8.1 State Government shall prepare a comprehensive perspective TSP document, taking into account all available sources of funding, to serve as a road map for implementation. Funds available for TSP under Central Sector and Centrally Sponsored Schemes as well as State Plans and Central Plans shall be pooled for TSP planning.

This perspective document shall, inter-alia, reflect on:

- (1) Strategy to address gaps and deficits in terms of relevant schemes taking into consideration strengths of tribal community, allocation of funds, fixing physical targets to address inter-tribal and inter-habitation variance / inequalities in their socioeconomic status, while adhering to an equity based approach.
- (2) Needs of Particularly Vulnerable Tribal Groups (PVTGs) will be accorded priority with focused approach and special attention to improve their conditions of food security, health and education for mainstreaming these sections.
- (3) The strategy should define priorities for TSP with a focus on long-term sustained gains in relation to area development.
- (4) Likely flow of benefits, in financial as well as physical terms, and specific steps required for accessing benefits by tribals from each of national (and State) level Flagship Schemes must be quantified.

Mechanism / surveillance system to ensure utilization of funds meant for the intended purpose.

- (5) Role and contribution of NSTFDC and State level STFDC and TRIFED etc should be categorically provided for.
- (6) Critical evaluation to assess whether ongoing schemes / programmes have potential to accelerate pace of development of STs and result in bridging gap in development in a time-bound manner.

SA
5.6.16

44

- (7) Evaluation as to how TSP has and is likely to help STs in respect of following key areas:
 - a) Prevention of land alienation and indebtedness;
 - b) Access and control over forest and effective implementation of FRA Act, 2006 and PESA, wherever applicable; and
 - c) Involuntary displacement due to development projects to be addressed with proper resettlement and rehabilitation support.
- (8) Outcome Analysis with critical evaluation of implementation strategies in terms of effectiveness of schemes / programmes.

8.2 The State shall break up Perspective Plan into doable annual Action Plans and accordingly prepare annual plan documents taking into account all available funds during year, including State Plan, Central Sector and Centrally Sponsored Schemes.

9. TSP fund flow and Allocation of Art. 275 (1) Grants

- 9.1 Earmarking TSP funds and working out Art. 275(1) Grants for "Critical Deficit Areas" is a must to ensure catalytic impact. Mechanism to do this is given at Annexure 8.
- 9.2 These steps must be followed so as to formulate a proper proposal for funding programmes, schemes and activities under Art. 275(1) Grants.

10. Institutional Structure

- 10.1 Nodal Department should be adequately strengthened through technical support group, knowledge leadership, analytical functioning in areas pertaining to strategic planning, demand assessment, gap analysis, long term impact of schemes / programmes. Collection of related data is a must for evidence-based planning and decision making and capacity building at all levels.
- 10.2 State Government shall establish (most already have) following institutional structures and mechanism for effective formulation, implementation and monitoring of TSP.

CA
2006

(A) State Level

(1) Apex Level Committee (ALC) or a Tribal Advisory Council (TAC) should be with Chief Minister as Chairperson and Minister of Nodal Department as Vice chairman

Key functions:

- (a) To formulate policies relating to TSP.
- (b) To approve perspective TSP document and Annual TSP Plans; and
- (c) To suggest measures for proper planning and implementation of schemes by different departments; and
- (d) To monitor progress of TSP so as to take timely corrective measures for improving performance of line departments

The ALC / TAC will meet once in six-months. Nodal Department provides necessary secretarial backup to ALC / TAC.

(2) **Executive Committee** should be with following composition:

- (i) Chief Secretary - Chairperson
- (ii) Principal Secretary / Secretary-in-charge of all line departments - Members
- (iii) Principal Secretary / Secretary-in-charge of Nodal department - Member Secretary

Key functions:

- (a) Appraisal of perspective TSP document and finalization of Annual Tribal Sub Plan (TSP).
- (b) Monitoring and Evaluation / implementation of Annual TSP.
- (c) Formulation of strategy for tackling development deficit of STs.

The Executive Committee will hold its meetings once every three months.

(B) District Level

(1) District Planning and Monitoring Committee (DPMC) should be with following composition.

13A
13B

- 12
- (i) Dy. Commissioner / District Collector - Chairperson
 - (ii) Project Officers of ITDP / ITDA - Secretary
 - (iii) District level officers of concerned line Depts. - Members

The DPMC may also have representation from local legislative and parliamentary constituencies.

Key functions:

- (a) Formulate plan at the District level.
- (b) Get it approved by the District Planning Committee.
- (c) Review implementation of programmes / activities under Art. 275(1) Grants every month.
- (d) Communicate quarterly Performance Review Report to nodal department for review by it and Executive Committee.

(2) Panchayati Raj Institution: Zila Parishad / Panchayat Samiti Level

Panchayati Raj Institutions should review implementation of ongoing development programmes / activities in different locations on a monthly / quarterly basis and forward their observations to DPMC.

10.3 Proposals submitted to Ministry of Tribal Affairs (MoTA) Project Appraisal Committee (PAC) must be pre-approved by Executive Committee under Chief Secretary.

11 Approval Process

Project Appraisal Committee (PAC) in MoTA would consist of:

- | | | |
|-------|--|-----------------|
| (i) | Secretary, Ministry of Tribal Affairs (MoTA) | Chairperson |
| (ii) | Joint Secretary, MoTA | Member |
| (iii) | Principal Secretary / Secretary, Commissioner Tribal Development / Social Welfare (dealing exclusively with Tribal Development) and Planning Deptt. of concerned State Government. | Member |
| (iv) | Financial Advisor, MoTA | Member |
| (v) | Adviser, NITI Aayog | Member |
| (vi) | Concerned Director / Dy. Secretary / Under | Member Convenor |

CA
20/6/16

(41)

- Secretary, MoFA
- (vii) JS or Equivalent (Eqv.) Officer (Offr), MoRD Invitee
- (viii) JS or Eqv. Offr, Mo HRD (School Education) Invitee
- (ix) JS or Eqv. Offr, Do Agriculture, Cooperation and Farmers' Welfare Invitee
- (x) JS or Eqv. Offr, Do Agriculture Research and Education (DARE) Invitee
- (xi) JS or Eqv. Offr dealing with Horticulture Invitee
[(Do Agriculture, Mission for Integrated Devt. of Horticulture (MIDHD)]
- (xii) JS or Eqv. Offr, Do Animal Husbandry, Dairying & Fisheries Invitee
- (xiii) JS or Eqv. Offr, Mo Health & Family Welfare Invitee

Other officials (Preferably JS or Eqv. Offr. (from any other Ministry / Department) can be coopted as invitees, as necessitated, with approval of Chairman, MoFA - PAC.

PAC will appraise and approve projects to be funded under Art. 275(1) Grants.

12. Monitoring

- 12.1 State Tribal (Nodal) Department will co-ordinate progress of various schemes / programmes and design a comprehensive monitoring framework with well-defined indicators, covering fund allocation, release and expenditure, service delivery standards as well as outcomes.
- 12.2 Concerned line departments will specifically monitor TSP progress and performance within their regular monitoring mechanisms at all levels.
- 12.3 Nodal department will monitor progress for review by the Executive Committee. (Chaired by Chief Secretary)
- 12.4 Monthly / Quarterly Performance Review report of State TSP, in general and programmes / activities funded under Art. 275(1) Grants would be communicated to MoFA through online / e-mail system.
- 12.5 A MIS format for above would be designed and circulated by MoFA at the earliest. Such progress reports must come within 30 days of concerned month / quarter.

[Handwritten signature]

12.6 In addition to regular monitoring as above effective evaluation of schemes under TSP must be done as under:

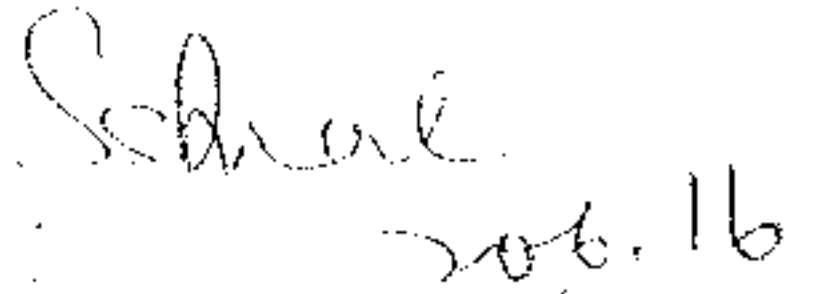

- (i) A Bench - Mark Survey (BMS) to assess delivery of benefits under TSP to reach STs.

It should reflect benefits already drawn, socio-economic status of STs, occupational category, availability of basic amenities etc. It shall be conducted on a continuing basis to reflect impact as measurable indications of socio-economic upliftment and change.

- (ii) State Tribal Research Institutions should be involved in this process.
- (iii) Evaluation studies on TSP shall be undertaken to oversee not only implementation and monitoring of utilization of funds under TSP, but also evaluation of programmes / schemes under TSP and their impact on upliftment of socio economic conditions of STs.

This supersedes all previous circulars / guidelines issued so far and come into effect immediately.

26	MIZORAM			21,081
27	NAGALAND			16,579
Grand Total (27 States):				6,40,584

Note:

- Superscript ¹. Area apportioned based on total area of undivided State and proportion of ST population, since details provided by concerned State Government calls for reconciliation.
- Blanks in col (4) imply relevant data has not been received from concerned State / UT.
- In case of variation or no data received for total area (in sq. km.) from any State, figures taken are as per Report of the Working Group of Development and Welfare of STs, 1990-95.
- Against any State entry A and B indicate as under:
A- As per record of Ministry of Tribal Affairs (MoTA). B - Further as reported by State.
- 1990-95 data is used because thereafter (except for Telediani in Odisha State which stands included in data) no additional UDA / TTDP has been declared by

Handwritten signature and date: 20.6.16

20.6.16

Ministry of Health and Family Welfare / Directorate of Health Services / Grants and
 Budget (State Plan / TSP)

(A) Directorate of Health Services

Social Department, Hall

- (1) Identify socio-economic indicators to highlight development deficits of ST population
- (2) Conduct critical gap analysis to assess deprivation of STs on identified socioeconomic parameters.
- (3) Identify priority areas under TSP in consultation with line departments.
- (4) Prepare a comprehensive perspective TSP and prepare Annual TSP documents taking into account various sources of funding (including State Plan, fund flow under Central Sector and Centrally Sponsored Schemes).
- (5) Examine various on-going schemes and their budgetary allocations and suggest new schemes on the basis of assessment and discussions with concerned line Departments.
- (6) Suggest strategic measures, set target oriented specific socio-economic indicators for various programmes / schemes in consultation with line departments.
- (7) Grant approval for introduction of new schemes.
- (8) Grant approval for re-appropriation of TSP funds from one department to another after mid-year review.
- (9) Undertake scrutiny of schemes / programmes submitted by line departments to ensure that

- (8)
- (i) concerned departments are providing for STs in their budget and plans funds and guidelines to same extent as is available to other populations, in proportion to their requirement,
 - (ii) that only those schemes / programmes, that fulfill criteria of securing direct benefits to ST individuals, households and localities (and are aligned to strategic objectives of TSP) are included in TSP;
 - (iii) Service delivery standards under various departmental schemes are established and adhered to;
- (10) Submit such proposals, with their evaluation, to Executive Committee for appraisal and approval;
 - (11) Design a comprehensive monitoring framework with well-defined indicators and co-ordinate progress of various schemes / programmes;
 - (12) Devise a mechanism for speedy transfer of funds directly to field formations under intimation to District Headquarters, instead of being routed through District Headquarters, by enforcing on them a system of accountability for effective utilization of allocated funds;
 - (13) Conduct evaluation to assess impact of schemes implemented under TSP, on socio economic conditions of STs on regular basis;
 - (14) Ensure follow up of schemes implemented and maintenance of proper records on assets created under TSP in District / Block etc;
 - (15) Ensure that service delivery is standardized and adhered to in time-bound manner;
 - (16) Ensure transparency and accountability at all levels in the implementation of TSP schemes and dissemination of information electronically relating to schemes / programmes, allocation and expenditure along with physical targets and achievements in respect of each department and placing this information in public domain;
 - (17) Ensure that all institutional mechanisms are established at various levels i.e., State, District, Block etc., as laid down in guidelines;

- 7
- (13) Ensure that gaps still remaining under TSP financing pattern are highlighted for each FDI / FIDA / MADA / Cluster pockets and at State level at the time of TSP financial allocations. This would facilitate synchronization of gap filling role of Ministry's scheme of Grants under projects to Art. 273(b) with gaps identified in TSP; and
 - (14) Ensure that no land action is initiated by various departments to meet requirements of the guidelines.

(15) **Selection of Schemes, Programmes and Activities**

Tribal Sub Plan (TSP) should include only such existing schemes (including additional components to existing schemes) or new proposed schemes, which fulfill following criteria:

- (a) Provide clearly defined direct and quantifiable benefits to Scheduled Tribe (ST) individuals or ST households or tribal areas. Benefits provided to STs along with other people at a particular time may not be treated as direct benefit under TSP.
- (b) Create potential to accelerate pace of development of STs and to bridge extant gap in socio-economic development indicators between STs and other sections of society.
- (c) Focus of such schemes should be on education, income generation, improving access to irrigated land, entrepreneurship, employment and skill development and access to basic amenities.
- (d) Have in-built mechanisms / surveillance system to ensure utilization of funds meant for intended purpose.

(16) **State Government's Role under TSP**

State Government, after estimating gaps in development of STs, will prioritize their development needs through a consultative process, and shall formulate TSP schemes and prepare TSP within State Annual Plan or Plans.

16
In formulation of TSP, State shall proceed as follows:

- (1) TSP should be formulated at District level by District Planning and Monitoring Committee (DPMC).
- (2) DPMC must reflect on actual demand for schemes / programmes that are to benefit STs, giving priority to equity aspect of their local demand and socio-economic backwardness.
- (3) District Annual plan must be approved by DPMC.
- (4) In case of area-oriented schemes, a Block / Village level approach should be adopted so as to facilitate inclusion of ST habitations which remain uncovered under District level approach. Inter-village prioritization should take into account ST population % within total population of such identified unit.
- (5) TSP at FTDP / FTDA / District level should form basis for State TSP formulation and implementation. Requirement of funds across DPMC proposals put together would generate demand for TSP requirement at State level.
- (6) In States having Scheduled Areas, Panchayati Raj Institutions should undertake an exercise to identify areas needing priority attention and communicate it to DPMC.

These priority activities may form TSP at cluster / MADA pockets, FTDP / FTDA level.

- (7) To formulate a realistic Plan budget, matching sectoral priorities and actual budgetary flow, Nodal department should consult all related Departments to:

- a. identify priority-areas under TSP.

b. examine various on-going schemes and their budgetary allocations and

c. suggest new schemes.

- (8) Approval of Social Department is mandatory for introduction of new schemes.
- (9) Service delivery should be standardized and adhered to in time-bound manner.
- (10) To facilitate synchronization of gap filling role of SCA to TSP, gaps still remaining under TSP financing pattern must be highlighted for each EDP/EDS/MDMA/Cluster/pocket level at the time of TSP financial allocation. Same can be put together at State level, to be finalized by EC.

(D) Norms for TSP Allocation

There should be no division of total Plan outlay into so-called divisible and non-divisible components, with TSP being confined to divisible outlays alone. Norms to be followed for allocation of cost of a scheme to Tribal Sub-Plan must be as under:

Table: Norms for allocation of cost of a scheme to TSP

Sl No	Type of Scheme	Cost to be allocated and accounted for under TSP
1.	Exclusively for ST individuals or ST households	100%
2.	For Scheduled Tribes habitations	100%
3.	Benefiting mixed habitations	In proportion to ST population of such habitation(s).
4.	General schemes benefiting ST	In proportion to ST beneficiaries

14

	individuals or ST households, along with others	actually covered.
5.	Non-divisible infrastructure works	Estimates of likely benefits that may flow to STs may be shown as likely flow to TSP.
6.	For area based development projects / activities	In proportion to District wise ST population.

20.6.16
