Sub: Guidelines for Inter-State allocation of funds and implementation of Programmes / Activities under Special Central Assistance (SCA) to Tribal Sub Plan (TSP) during 2016-17 and onwards.

34/06/16

Sir,

24/06/16
2/6

Following guidelines are hereby laid down for allocation of funds and use of Special Central Assistance (SCA) to Tribal Sub Plan (TSP) during current fiscal 2016-17 and afterwards.

General Features

1.1 SCA to TSP is 100% grant from GOI (from 1977-78). It is charged to Consolidated Fund of India (except grants for NE States, a voted item) and is an additive to State Plan funds and efforts for Tribal Development.

1.2 TSP has following objectives to bridge gap between Scheduled Tribe (ST) population and others by accelerating development of STs by ensuring:

(i) Human resource development by enhancing their access to education and health services,

(ii) Enhanced quality of life by providing basic amenities in tribal areas / localities including housing (mostly to be covered under Pradhan Mantri Awas Yojana / State Housing Schemes under TSP flow.).

378/
27 JUN 2016

27/6/16

49

(iii) Substantial reduction in poverty and unemployment, creation of productive assets and income generating opportunities,

(iv) Enhanced capacity to avail opportunities, gain rights and entitlements and improved facilities at par with other areas. and

(v) Protection against exploitation and oppression.

1.3.1 SCA aims to address need of critical gaps, only as an additive to main vehicle i.e., fund flow under TSP for tribal development.

1.3.2 Fund flow under TSP consists of

(a) State Plan Funds, and

(b) Funds under Central Sector / Centrally Sponsored Schemes.

Analysis of State Plan and TSP flow is, therefore, a must before finalizing activities / programmes under SCA.

2. Coverage:

2.1 23 States having notified STs (excluding tribal majority States) are eligible to receive grants under this Programme. These States are:-

Andhra Pradesh, Assam, Bihar, Chhattisgarh, Goa, Gujarat, Himachal Pradesh, Jammu & Kashmir, Jharkhand, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Manipur, Odisha, Rajasthan, Sikkim, Tamil Nadu, Telangana, Tripura, Uttar Pradesh, Uttarakhand and West Bengal. (Punjab and Haryana have no ST population)

2.2 Tribal majority States of Arunachal Pradesh, Meghalaya, Mizoram and Nagaland and Union Territories are not covered under SCA to TSP.

2.3 SCA must be utilized for economic development of following:

(a) **Integrated Tribal Development Project (ITDP):** It is an area of size of one or more Development Blocks in which ST population is 50% or more of total population of such Blocks. Complete development block / panchayat samiti is the minimum constituent unit of an ITDP.

SA
12/10/16

- (i) There can be more than one ITDP in a District.
- (ii) Area of an ITDP may even consist of Blocks of more than one Districts. In such cases, ITDP will normally be named after its headquarter location or district where its headquarter is located.

Integrated Tribal Development Agency (Historically so called in Andhra Pradesh, Odisha and Telangana amongst other States) / Authority (ITDA) is concerned authority with jurisdiction for administration of tribal development projects. Hence an ITDA (i.e., agency or authority) should have jurisdiction over ITDPs (consisting of full blocks / Panchayat Samitis), MADA and Cluster pockets as well. Even dispersed tribal population of a district can also be within the jurisdiction of concerned district ITDA. (In this matter, concerned State Government must decide.)

- (b) **Modified Area Development Approach (MADA):** These are identified pockets (consisting of one or more revenue villages) in contiguous areas with a concentration of tribals 50% or more within total population of 10, 000 or more in such area.
- (c) **Clusters:** These are identified pockets (with one or more revenue village(s) being constituent units) with a concentration of tribals 50% or more within total population of 5, 000 or more in such area.

In case of both MADA and Cluster Pockets, complete revenue village(s) is constituent unit. A MADA pocket / Cluster for tribal development should be named after the village in such area, which has maximum ST population (2011 Census) in such MADA / Cluster Pockets. To illustrate it can be identified as A-B (MADA / Cluster), where A is concerned District and B is the revenue village having maximum ST population in such MADA / Cluster pocket.

- (d) **Particularly Vulnerable Tribal Groups (PVTGs):** Identified isolated communities among tribals characterized by a stagnant or declining rate of population growth, pre-agricultural level of technology and extremely low levels of literacy. [So far 75 PVTGs are identified. (Annexure 1)]

SA
11.6.16

47

(e) Dispersed tribal population outside (a), (b), (c) and (d) above.

2.3.1 Organizational structure (including district and field level set up) and administrative jurisdiction of an ITDA (or any other designated authority) may be decided by concerned State Government / UT administration.

2.3.2 Above areas need to be notified by Ministry of Tribal Affairs (MoTA), as proposed by State Government, before these can be reckoned with, as basis for allocation of funds. State Governments have to submit a proposal with details of identified area and population (as per 2011 Census) along with a map to MoTA accordingly.

3. Criteria – Inter-State Allocation

3.1 From 2016-17 onwards, allocation of funds among 23 states (Para 2.1) under SCA to TSP shall be made in following manner:

- a) 50% based on State ST population,
- b) 25% based on tribal areas covered under ITDPs / ITDAs. A few States where no ITDP / ITDA has been constituted, area of concerned Block / Panchayat Samiti (Middle level PRI), where ST population is 50% or more would be taken into account, and

From 2017-18 and onwards, above tribal area would include geographical area of

- (1) ITDPs
- (2) MADA Pockets, and
- (3) Cluster Pockets

as per 2011 Census basis.

Since these details are not readily available, only ITDPs / ITDAs area are accounted for in current fiscal 2016-17. In absence of above, area as worked out (Annexure 2) would be taken into account.

- c) Remaining 25% of allocation would be as per an analysis of outcome-based performance of concerned States.

SA
17.6.16

4/6

Parameters for evaluation of performance would be notified separately.

- 3.2 Minimum Floor will be based on 75% of 2015-16 allocations made on ST population basis. This floor allocation shall be subject to a minimum of Rs. 4.50 Crores (with 100% being Rs. 6.00 Crores).
- 3.3 A statement showing ST population of State, TDP / TDA area, and minimum floor allocation is at Annexure 3.

4. Inter-District Allocation Criteria

4.1.1 Inter-District allocation of SCA funds shall be as follows:

- (i) 66 $\frac{2}{3}$ % on population
- (ii) 33 $\frac{1}{3}$ % on Area. (i.e., on 2:1 proportion based on population: area)

Only such area needs to be taken into account where ST population is more than 50% of total population of such District / Sub-Division / Block / revenue Village.

4.1.2 In Project Appraisal Committee (PAC) meetings, State Government must submit such area details. (with revenue village being smallest constituent unit for MADA, Cluster Pockets and Blocks / Panchayat Samitis being the constituent unit of TDPs.)

4.2.1 Districts having 25% or more STs (of district population) shall be focussed, for implementation of tribal development programmes. List of 177 Districts with 25% ST population or more (based on 2011 Census) is at Annexure 4. This also includes Districts, affected by Left Wing Extremism (LWE) activities (where ST population is even less than 25% floor). In case of such LWE affected areas, tribal inhabited areas are normally localized in a particular part of District. Area of such Sub-Division / Block / Village can be taken into account for area calculation.

Above would also be focus area for programme implementation on saturation basis.

Such details of identified areas and population (as per 2011 Census) along with a map must be provided by concerned State Govt. in 2016-17 PAC meetings.

CA
1/1/17

4.2.2 All MADA pockets / clusters shall be covered under some or other development programmes within every cycle of three years: (Starting from 2016-17)

4.3.1 Within ST population, some ST communities count each more than 5% population in every State. Details of such communities is at Annexure 5.

4.3.2 While doing inter-district allocation for tribal development programmes / activities, such communities should be especially focussed.

In case where economic basis of tribal household economy of more than one ST community is same, programmes can be common with such communities and clubbed for fund allocation. For Example, in HP, Gaddi and Gujjar STs (both being livestock dependent households) can be covered with similar type of development programmes / activities.

4.3.3 Fund allocation must be $\pm 10\%$ of corresponding ST population share. That is, if a community counts for 20% of State ST population, then programmes should be for 18% - 22% band of total fund allocation for such a community.

If this community is more backward, then an increased allocation may be justified based on human development index parameters. In any case, if the allocation works out to lower than 18%, then total State allocation would be reduced accordingly.

4.4 State Government may inform as to any discrepancy in calculation of area (with $\geq 25\%$ ST population based on 2011 Census) or community-wise % data (2011 Census). Relevant information would be reviewed and accounted for after revision of concerned data accordingly.

SA
17.6.16

44

5. Intra-State (Sectoral activities, community, area-wise) Prioritization and Allocation:

5.1 Priority must be accorded as under:

Activity	Fund Allocation
(i) Education	40 - 50%
(ii) Health	10 - 15%
(iii) Agriculture, Horticulture, Animal Husbandry (AH), Fisheries, Dairy & others in Primary Sector	20 - 30%
(iv) Other income generating schemes to augment Tribal household economy	10 - 15%
(v) Administrative structure (incl. manpower) / Institutional framework & Research studies	< 5 - 10%
Total:	100%

5.1.2 Conjunctural use with dovetailing of financial resources from ongoing activities of line departments must be resorted, to ensure larger spatial and higher demographic coverage (under TSP flow concept or funds especially available under Central Sector / Centrally Sponsored Schemes.)

5.1.3 Cluster (multiple beneficiaries in one location) approach on saturation (all beneficiaries of an identified area are covered / benefitted by Government activity / programmes) basis can be an excellent modus operandi, especially for districts with $\geq 50\%$ and even for $\geq 25\%$ ST population.

5.1.4 Use of institutional finance should also be optimized.

5.1.5 Projects modelled on Public - Private (Sector) Participation (PPP mode) can go a long way especially for Education and Health sectors and other human resource development programmes.

5.2.1 Primarily activities of non-recurring nature (including infrastructure and equipment with at least three years life time) shall be supported under SCA to TSP. Fund for recurring component of such programmes / schemes shall be borne by State funds / TSP allocation. An illustrative list of activities for SCA funding is at Annexure 6.

SA
17.6.16

143

5.2.2 ST Communities with similar livelihood pattern / traditional occupation (i.e., income source same for tribal household economy) should be clubbed together for planning under SCA to TSP.

ST household, especially with entitled land right under FRA Act, 2006 should be covered by programmes, activities; especially designed for them.

So also should be coverage of women Self Help Groups (SHGs), beneficiaries.

5.2.3 Major infrastructure sector, like road connectivity, electricity, drinking water, major irrigation projects, housing would not be funded under SCA, as substantive part of State Plan funds go into these programmes.

5.3 It is relevant to emphasize that close to 80% of tribal households depend upon agriculture and other primary sector economic activities. Guidelines of Ministry of Rural Development (MoRD) especially provide for MGNREGA works on individual tribal lands with State-funding. Such provision under extant guidelines must be utilized to ensure better income and livelihood support to ST households.

5.4.1 It must be emphasized that SCA to TSP must draw upon Guidelines issued vide OM No. 11012 / 03 / 2013 - SJ&SW dt. 18.6.14 issued by NITI Aayog (then Planning Commission) [enclosed at Annexure 7].

5.4.2 Especially, following must be acted upon for State proposals under SCA to TSP:

- (i) Para 1.2, 1.4 and 1.8 of Annexure 7 for "Plan Formulation",
- (ii) Para 1.3 (Annex 7) for "Plan Documentation",
- (iii) Para 1.5 and 1.6 (Annex 7) for "Earmarking TSP funds" and accordingly working out "SCA requirement for Critical Deficit Areas" to ensure catalytic impact, and
- (iv) Institutional arrangements (as in para 1.11 of Annex 7) needs to be adhered to.

5.4.3 Accordingly, proposals submitted to Ministry of Tribal Affairs (MoTA) Project Appraisal Committee (PAC) must be pre-approved by Executive Committee under Chief Secretary.

CA
15.6.16

5.5 Committed liability of approved programmes / activities (in previous years) would be accorded priority for allocation of funds.

6. Approval Process

Project Appraisal Committee (PAC) in MoTA would consist of:

(i)	Secretary, Ministry of Tribal Affairs (MoTA)	Chairperson
(ii)	Joint Secretary, MoTA	Member
(iii)	Principal Secretary / Secretary, Commissioner Tribal Development / Social Welfare (dealing exclusively with Tribal Development) and Planning Deptt. of concerned State Government.	Member
(iv)	Financial Advisor, MoTA	Member
(v)	Adviser, NITI Aayog	Member
(vi)	Concerned Director / Dy. Secretary / Under Secretary, MoTA	Member Convenor
(vii)	JS or Equivalent (Eqv.) Officer (Offr), MoRD	Invitee
(viii)	JS or Eqv. Offr, Mo HRD (School Education)	Invitee
(ix)	JS or Eqv. Offr. Do Agriculture, Cooperation and Farmers' Welfare	Invitee
(x)	JS or Eqv. Offr, Do Agriculture Research and Education (DARE)	Invitee
(xi)	JS or Eqv. Offr dealing with Horticulture [(Do Agriculture, Mission for Integrated Devt. of Horticulture (MIDH)]	Invitee
(xii)	JS or Eqv. Offr, Do Animal Husbandry, Dairying & Fisheries	Invitee
(xiii)	JS or Eqv. Offr, Mo Health & Family Welfare	Invitee

Other officials (Preferably JS or Eqv. Offr. (from any other Ministry / Department) can be coopted as invitees, as necessitated, with approval of Chairman, MoTA - PAC.

PAC will appraise and approve projects to be funded under SCA to TSP.

141
7. **Monitoring**

- (i) State Tribal (Nodal) Department will co-ordinate progress of various schemes / programmes and design a comprehensive monitoring framework with well-defined indicators, covering fund allocation, release and expenditure, service delivery standards as well as outcomes.
- (ii) Concerned line departments will specifically monitor TSP progress and performance within their regular monitoring mechanisms at all levels.
- (iii) Nodal department will monitor progress for review by the Executive Committee. (Chaired by Chief Secretary)
- (iv) Monthly / Quarterly Performance Review report of State TSP, in general and programmes / activities funded under SCA to TSP would be communicated to MoTA through online / e-mail system.
- (v) A MIS format for above would be designed and circulated by MoTA at the earliest. Such progress reports must come within 30 days of concerned month / quarter.

8. This supersedes all previous circulars / guidelines issued so far and comes into effect immediately.
